New clutch bearing & "O" ring seal

The MSA have approved the use of the new Rotax clutch needle cage bearing 15x19x17 (ROTAX part No. 632 415) and "O" ring seal with immediate effect.

J.A.G. will offer the new clutch bearing and "O" ring seal free of charge to customers who have purchased a retrofit kit for the new steel clutch assembly. Engines purchased with the new clutch assembly will also qualify for this offer (engines purchased with the new clutch bearing and 'O' ring already fitted will not qualify).

Proof of purchase with copy of invoice will be necessary.

This offer will finish on the 31st December 2009.

The new clutch bearing and "O" ring seal will also be available at a discounted price until the 31st December 2009

Discounted price:

Needle cage bearing £4.64 +VAT

"O" ring seal £0.61 +VAT
