

2020 Motorsport UK Karting Yearbook – Amendment 2

The following amendments, shown in red text, are made to the 2020 Motorsport UK Karting Yearbook with immediate effect:

TKM starters

D3.4.32 A TAG on-board starter system engine and associated equipment may be used as supplied by Tal-Ko and detailed in the official TKM BT82 engine fiche. It is clarified that when using a TAG specification engine it is mandatory to always have the full system in place as applicable and connected to enable the starter to be used to start the engine. An external hand-held starter may be used to start the engine in case of any problem, but at any time before or after a race the driver may be required to demonstrate that the starter system with its on-board battery is fully fitted and functioning. **Exceptionally at a race meeting if a fault occurs which means the starter cannot be used, with agreement of a scrutineer the engine may be started externally providing that all the components of the starter, battery etc are in place. No test will then be required.**

Reason for amendment:

Force majeure – due to unforeseen production shortage

Approved: 01 October 2020

Joe Hickerton

Technical Manager & Karting Yearbook Editor
