

TKM BT82 Engine Fiche BT820394 Extension

NEW STYLE V CLUTCH DRUM
NEW WALBRO CARB GASKET
NEW WALBRO CARB FLANGE GASKET

Effective: June 16th 2016

- A new style V Clutch drum becomes a standard fitment on all new TAG and V Clutched specification engines. The new V Clutch drum may also be used on existing TAG and V Clutched engines of any age.
- New material gaskets for both the Walbro carb and Walbro carb flange become standard fitment on all new engines. They may be used on engines of any age.
